In the Matter of

THE NATURAL GAS LEAK INCI-)	
DENT OF L.G. & E. COMPANY'S)	
GAS DISTRIBUTION SYSTEM AT)	CASE NO. 7775
VINE GROVE ELEMENTARY SCHOOL,)	
HARDIN COUNTY, KENTUCKY)	

ORDER

Pursuant to the Commission's order of May 12, 1980, the record was reopened so the school system could file affidavits to "present all the facts in their possession." The order also provided the parties an opportunity to cross-examine the affiants. In addition, L.G. & E. moved to correct the testimony of its witness, Mr. Neblett. After the school system filed its affidavits, L.G. & E. waived its right to cross-examine the affiants, but moved to strike the affidavit of Mr. Thomas who had testified at the hearing. L.G. & E. also moved that the case be submitted and the Hardin County Board of Education et al. joined in that motion.

The Commission having reviewed the record and being sufficiently advised, is of the opinion and FINDS:

That Mr. Thomas had an adequate opportunity to present his position and testify at the April 23, 1980, hearing.

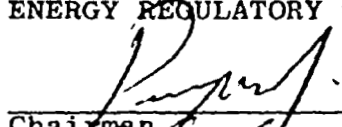

It is THEREFORE ORDERED that L.G. & E.'s motion to correct the record be and hereby is sustained, and that L.G. & E.'s motion to strike the testimony of Mr. Thomas from the record be and hereby is sustained.

It is FURTHER ORDERED that L.G. & E.'s motion to submit the case, which is joined in by the Hardin County Board of Education et al., is sustained.

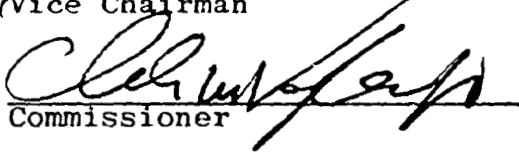

It is FURTHER ORDERED this matter be, and hereby does, stand submitted.

Done at Frankfort, Kentucky, this the 1st day of
August, 1980.
